

Elk Neck State Park “Get Hooked on Fishing” Park Quest Adventure

How to find fishing spots:

Elk Neck State Park is in Cecil County, 10 miles south of the town of North East on MD 272. From interstate 95, take exit 100 for Rt. 272. Follow Rt. 272 south approximately 11 miles. You will pass a turnoff for Park Headquarters on your right. Continue a short distance down the hill to the Elk River Campground Area, which is on your left. Turn into the Campground Area and check in with the Camper Registration Building through the far left lane.

Once you reach the campground, park your car in the Park Store parking lot. There is no charge for Park Quest participants to park your car there. Walk around to the back of the Park Store and head toward the trees. You will see the entrance to the Pond Loop trail. Follow the trail down the hill to the pond. When you reach the pond, follow the trail loop going right to discover the fishing spots.
